TELEPHONE CONNECTION BY RADIO TO OCEAN FALLS

The telephone system in the paper-mill town of Ocean Falls was taken over on April 1st by the North-west Telephone Company, which is associated with the B. C. Telephone Company. On the same day Ocean Falls' first long-distance telephone service with the outside world was inaugurated.

A combination of radio and physical telephone connections makes the long-distance service possible. Radio bridges the 210-mile gap between Ocean Falls and Campbell River, where connection is made with the long-distance lines of the B.C. Telephone Company.

Nestling between high mountains and the sea, Ocean Falls is accessible by boat only, and it would be economically impossible to give it telephone connection with other points by means of wires alone. For some months the North-west Telephone Company has been experimenting with radiotelephony at Ocean Falls, with the result that it is now possible to talk between that point and any other place within access of the B. C. Telephone Company's system.

There is radiotelephone sending and receiving apparatus at both Ocean Falls and Campbell River. When a person speaks over the circuit from Ocean Falls his voice is hurled into the air, and is picked up at Campbell River, from where telephone wires carry it to its destination.

A local telephone system had been operated at Ocean Falls by the Pacific Mills, Limited, which owns the pulp and paper mill there. The North-west Telephone Company will install new and improved equipment for local service.

HOSPITAL GETS GOOD SHOWER

GANGES, April 2nd.—A very successful kitchen shower under the auspices of the Women's Auxiliary of the hospital was held on Tuesday afternoon, March 24th, at The Lady Minto Gulf Islands Hospital, Ganges. Many useful gifts were received.

The corridors and dining-room looked very bright and cheery with their decorations of beautiful spring flowers. Visitors were received by the matron, Miss D. Holmes, and the staff. A dainty tea was served in the dining-room, for which a silver collection was taken.

Among those present were Mrs. J. Mout, Miss Manson, Mrs. P. Lowther, Mrs. E. Walter, Canon and Mrs. W. J. Flinton, Mrs. W. Hague, Mrs. R. O. King, Mrs. Price (senior), Mrs. W. Norton, Mrs. H. Johnson, Mrs. F. Stacey, Mrs. Charlesworth, Mrs. R. Rush, Mrs. R. Maxwell, Miss Betty Shaw, Miss Dorothy Akerman, Miss Gladys Shaw, Mrs. G. J. Mount, Mrs. C. Beddis, Mrs. Hague (senior), Miss K. Dane and Mrs. Goodrich.

I'd Like to See--

More homes on the Saanich Peninsula and Gulf Islands. It is true there are more homes being built all the time. What I would like to see is a greater number.

The thought often occurs to me that some effort should be made to reach retiring Canadians in the East that are now going to the south of us. In California, I am informed, the number of Canadians that have retired and settled down to enjoy the evening of their lives after many years of hard toil, can be numbered in the hundreds of thousands. Recently one of these retired Canadians met the writer in Sidney on his first trip to Vancouver Island and expressed amazement on discovering the wonderful climate we have on the Saanich Peninsula. He was from Saskatchewan, yet knew nothing of our fine area for people to make their homes in order to escape the cold winters on the prairies. He was of the opinion that many Canadians, even now residing in California and other States, would come to our fine district if they were advised of what we have to offer. Just how to get in touch with Canadians that are about to retire and figure on making their homes in an agreeable climate, is rather difficult to figure out, but surely there is a way.

The Saanich Peninsula and the Gulf Islands is an ideal area for beautiful homes amidst magnificent scenery. I would like to see more homes established here!

—HUGH J. MCINTYRE, Editor the Review.

Everyone on the Saanich Peninsula and the Gulf Islands has some suggestion for the betterment of this fine area and its citizens. What would YOU like to see? Send your suggestion to the "I'd Like to See" Editor, the Review.

What Is The Cow?

The following illuminative essay on the subject, "What is the Cow?" has been written by a local expert exclusively for readers of the Saanich Peninsula and Gulf Islands Review:

"The cow is a female quadruped with an alto voice and a countenance in which there is no guile. She collaborates with the pump in the production of a liquid called milk; provides the filler for hash, sausages and similar objects and at last is skinned by those she has benefitted, as mortals commonly are.

"The young cow is called the calf and is used in the manufacture of chicken salad, breaded veal, and other uses, of which no further knowledge is necessary.

"The cow's tail is mounted aft and has a universal joint. It is used to disturb marauding flies and the tassel on the end has unique educational value. Persons who come in contact with the tassel have vocabularies of peculiar and impressive force. The cow has two stomachs; the one on the ground floor is used as a warehouse and has no other function. When this one is filled the cow retires to a quiet spot where her bad manners will occasion no comment. The raw materials thus conveyed for the second time to the interior of her face are pulverized and delivered to the auxiliary stomach where they are converted into cow.

"The cow has no upper plate, all her teeth are parked on the lower part of her face. This arrangement was perfected by an efficiency expert to keep her from gumming things up, as a result she bites up and gums down."

TWO-ACT PLAY WAS ENJOYED

By Review Representative

PENDER ISLAND, April 2nd.—The two-act comedy, "The Incubus," which was staged on Friday night in Hope Bay Hall, under the auspices of the Women's Institute, was well attended in spite of unfavorable weather conditions and very well received. The hall was crowded to the doors, several parties having come from other islands. Prior to the presentation of the play the program consisted of community singing and two humorous Irish readings given by Mrs. H. McNeill in costume. Mr. H. Hamilton contributed musical numbers.

Those included in the casts were Mrs. A. H. Menzies, Mrs. J. S. Stiggins, Mrs. F. Moore, Mrs. W. B. Johnston, Mrs. Percy Grimmer, Miss Marjorie Locke and Miss Maude Dickinson, with Mrs. A. E. Craddock as director.

During the intermission home-made candy was sold, and at the close refreshments were served, then dancing continued until the early hours. The proceeds are to be used locally on hall improvements.

Everybody wanting work, everybody wanting goods, many wanting employment, nobody knowing what to do about it—and this is the industrial condition we were dragging about a couple of years ago. Somebody better start thinking.

Bazan Bay Brick & Tile Works Now Overhauling Their Plant For Season

Once again the machines at the Bazan Bay Brick & Tile Works are being given the once over and made ready for another season's operation.

In mentioning this we would very much like to point out that a good many thousands of dollars have been spent in connection with the brick plant and other forms of development by the Readings family during their period of existence in this locality.

About 20 houses have been built for the family, some of course have been sold to settlers, also a number of homes have been built for others. All this has helped greatly in the development of the district.

The Readings have quite a number of items on their list for development. At the present time they are rebuilding their wharf, putting it in better shape for loading scows. They are also having a lot of cordwood cut for the burning of brick later on. Improvements to the plant and other items, they say, will take place as time permits.

They are optimistic of the future and are looking forward to the day when Bazan Bay will be a suburb of Sidney—the main port for the mainland.

YOUNG PEOPLE'S CONFERENCE TO BE HELD FRIDAY

The fourth annual Young People's Conference, of Young People's Societies, of Victoria Presbytery, of the United Church, is being held this year in Sidney on Good Friday.

This conference, held on previous years at up-island points, Duncan and Ladysmith, brought representatives from nearly all the societies of the presbytery and this year's conference promises to be no exception.

A Good Friday service will be held in the church at 11 a.m. This will be followed by a picnic lunch at 12:30, the conference opening at 2 o'clock. The subject for the afternoon will be "How Must We Young Christians Face Up To World Problems?"

At 5:30 a banquet will be enjoyed in the church basement followed by the adjournment to Wesley Hall for a recreational program.

Over 150 young people are expected to take part in the conference.

Writer in a women's magazine says there are very few old-fashioned husbands left. Still, you run across 'em now and then. Only the other day we heard of a fellow who insists upon his wife helping him with the dishes.

Have you taken a trip over to Spring Island yet?

HON. MAITLAND GIVES TALK ON MOVIES

Development in Canada of a strong public demand for good talking pictures of British and Canadian origin, which would present Canadian and British subjects in a manner attractive to young people as well as to adults, will be the only means of securing for Canada freedom from domination of the theatres by United States producing concerns, Hon. R. L. Maitland assured a large attendance at the social supper of the North Saanich Service Club held on Wednesday of last week.

Mr. Maitland spoke at length on leading players and artists of the stage. Sarah Bernhardt, Sir Henry Irving, Lewis Waller, Sir Martin Harvey, Cyril Maude, Ellen Terry, George Arliss, and Jefferson, Mantell and Ward of America, stating that these great personalities of yesterday are those to whom the movie industry must look for guidance and progress in the future. Censorship limits, the possibilities and scope for Canadian pictures and the effect of the music on our boys and girls.

Mr. B. C. Nicholas presented prizes to five students of the Oak Bay High School, who formed the group awarded highest honors in the English essay contest sponsored by the club. Those who formed the winning group were D. Fulton, B. Blay, A. Mayhew, H. Horne and W. MacPhail.

Mr. H. Billings, principal of the Oak Bay High School, responded on behalf of the winning boys. Mr. Billings congratulated his hearers upon their efforts to encourage the art of correct writing.

An excellent concert program was given by Mr. C. Henton, Mr. Bassett, Mr. Simpson and Dr. and Mrs. John, and refreshments were served by the Ladies' Auxiliary, after which the evening was given over to dancing.

The chairman announced that the next social supper would be held on Wednesday, April 22nd, when the Victoria Chamber of Commerce would stage a debate on "The Introduction of Russia's Five-Year Plan to Canada." The concert program, he stated, would be provided by the Dramatic Circle of the Victoria Burns Club, under the direction of Mr. George Bryden.

PLAN TO CLIMB MOUNTAIN NEXT MONDAY

The outing planned by the North Saanich Horticultural Society, for Easter Monday, will take the form of a mountain climb up Mount Imbryson, the party to be conducted by Rev. Robt. Connell. All those intending to take this trip are asked to meet at 10 o'clock at Goldstream Falls at the old picnic grounds and auto park in suitable togs for a stiff climb. The day's outing will be in the form of a basket picnic.

SCHOOL GIVES GOOD DISPLAY

By Review Representative

GANGES, April 2nd.—The pupils of Formby House School gave a splendid display of physical drill, with vocal and instrumental items, at the school on Friday evening, March 27th, which was very much enjoyed by the parents and friends of the pupils, the physical display by the senior boys deserving special mention.

Following is the program: "Twenty Frogs," by Laurence Fisher—Junior Class.

"Sweet and Low," by J. Burnby—Juniors.

"Now the Day is Over," by J. Burnby—Juniors.

Violin solo—Constance Oxenham.

During the evening Master Gordon Fraser was presented by Mrs. Oxenham with a medal for general proficiency and smartness in physical drill.

Refreshments were then served by the hostesses to the guests, among them being Mr. and Mrs. S. Hoole, Mrs. Secones, Capt. and Mrs. George Maude, Mrs. Price (senior), Mrs. Charlesworth, Mrs. H. Johnson, Mr. and Mrs. H. A. Robinson, Mr. and Mrs. R. Justice, Mr. H. W. Bullock and others.

Local Men Are Awarded Contract

The awarding of the contract for the operation on charter of a passenger, freight and automobile ferry between Nanaimo and Gabriola Island, was made on Wednesday, March 25th, by the Provincial Government, to T. L. Higgs and W. Y. Higgs, of Sidney.

An annual subsidy of \$6,000 will go with the service. The ferry service will start about June 1st, and will operate between Nanaimo and North Gabriola Island daily, with trips twice a week between Nanaimo and South Gabriola Island.

LECTURE TONIGHT ON FLOWERS

The subject "The Arranging of Flowers for Exhibition" will be given by lecture and demonstration at the monthly meeting of the North Saanich Horticultural Society, being held tonight (Thursday) in Wesley Hall. This topic is to be given by Mr. and Mrs. R. N. Palmer, of Cobble Hill, and should prove of great interest to all those who intend making exhibits in the future.

The subjects of competition at this meeting will be a bowl of daffodils and a collection of early vegetables, not more than three varieties.

Large Crowd Seen At Ploughing Match

Between 500 and 600 spectators were present to witness the third annual ploughing match sponsored by the South Saanich Farmers' Institute, held last Wednesday on the farm of Mr. W. D. Michell, Telegraph Road. Ideal weather conditions prevailed and the 18 teams in action presented a most unique scene.

The rules called for a nine-inch diamond cut, six furrows to be turned before noon, with one-eighth of an acre in all to be finished by 4 o'clock. The opening furrow was an important factor in the points, and the judges had a difficult task to determine the winners, so close was the contest.

Another reason why the reformed calendar should be adopted is that it will have 13 months in each year of which there will be a Friday the 13th.

DRAMATIC SOCIETY TO GIVE THREE SHORTPLAYS

The North Saanich Amateur Dramatic Society, under the direction of Ethel Reese Burns, present three short plays next Tuesday night in the Deep Cove Hall at 8:15. Layard on the violin, accompanied by Mrs. Kelsey, while Mr. Jack Oldham will render pianoforte selections throughout the evening. The presentation will be opened by Capt. M. F. Macintosh, M.P.P. Capt. and Mrs. Macintosh will be the guests of the society.

The society held its regular monthly meeting in Saint Augustine's Hall, Deep Cove, on Thursday, March 26th. Final arrangements were made for the play to be held next Tuesday night, commencing at 8:15. It was requested that all members having tickets for sale get in touch with Mrs. H. G. Horth or Miss Olive Gilman by Saturday, April 4th.

In addition to the prizes being offered for cards there are 14 special prizes being given to the holders of the lucky tickets.

All those who intend to participate in the play are asked to be seated at 8:15 so that play may commence at 8:30 sharp.

The members of the local group of the Canadian Girls in Training, of Saint Paul's Sunday School, will present to the public a very delightful and suggestive Easter pageant on Easter Monday night, commencing at 8 o'clock. The pageant is descriptive of the great joy that radiates through the world as a result of the resurrection of the Christ. Many characters portraying various races with their old world color participate in the pageant. Other features will be added and patrons are promised a very entertaining feature. Miss Rhoda Craig is the leader and will appreciate the patronage of the parents and friends of the girls. A small charge is being made to assist their society funds.

Do You Remember?

By KAYE LORENZEN

Do you remember the North Saanich Picnic of 24th May, 1888, held at Messrs. Brackman and Ker's Mill Ground? No! Well here it is!

The Annual North Saanich Picnic was held on the 24th instant near Messrs. Brackman and Ker's Mills. A large and sociable gathering was present from the surrounding districts and Victoria. The weather turned out delightful and nothing was wanting to make the day a most enjoyable one. A large platform and excellent music for dancing contributed much to the enjoyment of the young people. The delicious spread set out by the ladies was not the least pleasing feature of the occasion. The athletic games were keenly contested, by the young men, the following being the prize winners:

Standing high jump—HENRY DOWNEY, 4 feet 10 inches.

Running high jump—J. HUNTER and FRED ALEXANDER tie, 5 feet 6 inches.

Running long jump—J. HUNTER, 17 feet 10 inches.

Standing long jump—J. HUNTER, 10 feet 3 inches.

Hop, skip and jump—FRED ALEXANDER, 27 feet 9 inches.

100 yards race—H. HEAL.

Whetnarrow race—H. STEINBURGER.

ALWAYS ADVERTISING

You're always advertising. When you go about with that long face and those dark remarks you are making a dead give-away—tell everybody your business is on the rocks. You're advertising, when you do that, for your competitor. The fellow with the smile, the cheerful look, the sunny disposition, is advertising for himself, and doing it right. He's the man who pays the income tax, the grocer, the butcher, the baker, the garageman, the baker, and so on.

What is true riches? Dollars and cents? How many persons of great wealth are truly happy because they have great wealth? Very few. The rich who truly are rich and who enjoy their riches are they who use their wealth to make others happy. Health, contentment, the capability of doing useful things, the opportunity to help others and to make others happy—these are the truest and best of riches.

The Review, like all other newspapers, receives many unsigned communications, some of which are worthy of publication, but which go into the wastepaper basket because their authors are not identified. Anonymous letters can be accorded no recognition.

SIDNEY LOCALS AND PERSONALS

Considerable improvement has been made to Craig's Stove Exchange with the application of a couple of coats of paint. The premises now look bright and clean.

With the closing of the children's services, which have been held every Wednesday evening since last September, about 75 children gathered in the Sidney Gospel Hall to enjoy the supper provided for them. Medals were given to every child present and books were given to those who have been faithful in attendance during the winter.

Mr. Wes. Cowell has been away from business for the past week, suffering from an attack of rheumatism. We trust he will soon be on the job again.

Heavy rains have fallen during the past few weeks with considerable wind. On Friday last it turned cool and during the night a slight snow fall made things look white for an hour or two. The mountain tops were covered with snow for several days, making a very pretty sight.

Final arrangements for the Good Friday Young People's Conference were made at the usual meeting of the Young People's Society on Tuesday evening. Next week's meeting will take the form of a gymnastic night, under Group A, when the girls are asked to come in gymnasium suits and the boys to wear tennis shoes.

Mr. and Mrs. A. O. Wheeler returned to their home here last week after spending the past few months in California.

The friends of Mr. G. E. Goddard will be sorry to learn he is again in St. Joseph's Hospital, where he expects to have another operation.

Mr. C. Ward returned home from St. Joseph's Hospital last week after an operation on his knee. He is getting on nicely.

Improvements are being made to the grounds of the North Saanich School by the planting of about 50 trees and shrubs. The grounds are gradually being improved each year and are beginning to look very attractive with flowers.

The Evening Branch of the Women's Auxiliary of Holy Trinity and Saint Andrew's will meet at the Rectory at 8 o'clock on Wednesday, April 8th.

On Saturday, March 28th, the C.G.I.T. held their weekly meeting, beginning with a short devotional period led by Gertrude Lennartz, and being followed by a business meeting. During the remaining time the girls practised for the pageant which they will present on April 6th.

A special men's competition will be held at the North Saanich Golf Club from Friday, April 3rd, to Monday, April 6th, inclusive. This competition will be against par. Any number of cards will be allowed to be taken out during this period.

The next monthly meeting of the Ladies' Aid of the United Church will be held at the home of Mrs. J. E. McNeil on Wednesday, April 8th, at 2:30 p.m.

THE ROOTS OF UNEMPLOYMENT

To the Editor,
Saanich Peninsula and
Gulf Islands Review,
Sidney, B.C.

Sir:—
A report in last week's issue says "Prof. Farr gave an interesting and masterly address" on the above subject. This is true according to one's view of the question.

Inevitably there is more than one view of any question and with your permission let us consider this from a different angle.

We must know that economics and ethics are inseparable: material prosperity and spiritual prosperity are complementary.

We are all agreed that spirituality is the be all and end all so far as humanity is concerned. This does not of necessity mean looking to a god-head, but to the enjoyment of all things spiritual; and this in turn seems to me to be anything which is good.

It is more and more coming to be understood that the problem of production is solved.

I well remember in my simple-mindedness of 25 years ago eagerly looking forward to our being able to produce enough for all; obviously then we would be alright, for as Christians one could not have, while another had not.

My untutored mind led me to believe the beautiful prayer from the Litany of the Church of England was not lip service and that what people thought were the blessings of God, were for all; as witness:

"That it may please Thee to bring into the way of truth all such as have erred, and are deceived."

"That it may please Thee to forgive our enemies, persecutors and slanderers."

"That it may please Thee to give and preserve to our use the kindly fruits of the earth, so as in due time we may enjoy them."

Now I am quite convinced that men of all climes and creeds will subscribe to that.

Why then this untold misery? Only that we are not earnestly looking for a solution. Prof. Farr is doubtless looking for a solution, tho' he did not enlighten us.

I suspect, however, he is on the wrong track, and the farther he travels the farther he will have to come back.

When one realizes the number of mistakes one makes in the course of a lifetime, it is a source of never-ending wonder that we should even dream our social system MUST be right.

We are living under an evil system; a system which says competition for the very means of existence is best.

To see how absurd this is, let us keep before us the fact that even in this world of competition, where more than half of us do no productive work, we still have enough for all. Do we get it? What are we going to do about it?

Our hypothetical visitor would say, "By our Martian gods, get busy!"

Before getting busy it would be wise to know what we are trying to do, which brings us to economics; the only essentials of which are production and distribution.

As we produce enough, it must follow distribution is at fault. Nobody will wish to deny this, yet illogically we expect the difficulty to solve itself, or just as illogically want someone else to solve it for us. Now I know quite well most of us are too easy-going and anyone who will, may do our thinking for us, so we can not grumble if things go wrong.

When, however, we see what we are missing, we shall produce what we need and see that everybody does his share in that production. In other words, produce for use, not for profit.

This is so simple, same and just, that I have yet to find the man who has given the subject thought, who does not subscribe to it.

What would happen under a sensible system is that all work would be arranged so that no one need be out of work, and that no useless work need be done.

There we have our material prosperity; nothing to prevent it. When we get it, and only then, we shall begin to live.

The remedy is Practical Socialism, and if you don't know what socialism is don't you think it would be wise to find out?

If you are denying socialism because of ignorance, under what category do you come? I suggest that to pass judgement on what may be one's misconception is foolish, and that possibly many of us are foolish.

I know quite well that I am; many times; but Tennyson tells us "Men rise on stepping-stones of their dead selves to higher things."

Some men do; all should. Now, Sir, at the meeting you reported, many of the men seemed to think our present system was good enough; suppose we hear from them?

If there is anything better than socialism I for one would like to know of it.

recital will be held in St. Andrew's Anglican Church at the close of the evening service. It is hoped to have a special singer from Victoria to assist with the recital. Full particulars will be given in next week's Review.

In the checker playdown among the Y.P.S. players a number of drawn games has held up making the final draw among champions. However, it is hoped to make the draw in a day or so.

Mr. V. E. L. Goddard was transferred at the 1st of April from Victoria to Sidney, where he will take up his duties as Customs inspector for the next few months.

FORMER LOCAL BOY IS MARRIED

A wedding that will be of great interest to the old-time residents of the district was solemnized on Saturday evening in the Oaklands Gospel Hall when Ruth, eldest daughter of Mr. and Mrs. E. J. Decker, of Victoria, and Mr. John William Russell Jenner, eldest son of Mr. and Mrs. J. T. Jenner, of Victoria, and formerly of Sidney, were united in marriage.

The bride was given in marriage by her father and was attended by one bridesmaid, Miss Joyce Maynard, and two dainty flower-girls, Esther Decker, sister of the bride, and Iona Jenner, sister of the groom.

Mr. Alfred Jenner supported the groom. A reception followed the service, where the many guests were welcomed.

Mr. and Mrs. Jenner left later for a honeymoon trip to Qualicum. They will leave in May for a tour through the United States, en route for the West Indies, where the groom has been engaged in missionary work for several years.
